Plan Summary

The Auto Care Classic prepaid maintenance program offers convenience and value while helping you keep your vehicle performing at its best.

Prepaying for your vehicle's regularly scheduled maintenance helps provide you the peace of mind of knowing that you are insulated from the rising cost of covered service. You will also have confidence in knowing the maintenance is performed by skilled technicians.

Convenience

You will receive a prepaid maintenance package that fits conveniently in your glove compartment. When you take your vehicle in for its scheduled service, simply present your Classic coverage service card to your participating dealer service representative. Your Toyota-trained technician already knows what is covered under your plan, which can save you time whenever you bring your vehicle in for service.

Timed Reminders

Approximately 30 days prior to your scheduled service, you will receive a service reminder based on your individual driving characteristics.

Computerized Service History

At the end of the plan term, you will receive a Computerized Service History of the covered maintenance performed on your vehicle.

The following services will be performed at each scheduled visit:¹

- ▶ Oil and Filter Change*
- ▶ Multi-Point Inspection, that may include:
 - Fluids inspected and replenished:*
 - ▶ Brake Master Cylinder
 - ▶ Clutch Master Cylinder
 - ▶ Transmission
 - ▶ Differential
 - ▶ Coolant
 - ▶ Windshield Washer
 - ▶ Power Steering
 - ▶ Transfer Case (applicable vehicles)

Visual Inspection of:
